KLEOPATRA BEACH

Located on the western side of the historic peninsula, in front of Damlataş Cave, Cleopatra Beach is a Blue Flag-awarded natural wonder. Nestled against the slopes of the peninsula, this beach captivates with its unique pool-like appearance surrounded by rocks.

The beach is famed for its historical significance, as it is said that Cleopatra, the Queen of Egypt, and Roman Emperor Antonius swam here. The section known as "Cleopatra Cove," extending towards the peninsula and featuring crystal-clear waters, is a must-see.

On our private beach, reserved exclusively for our guests, you can create unforgettable memories while enjoying the breathtaking turquoise waters of the Mediterranean, soaking up the sun, and savoring the sea.
